

ACRYPRIME-20

A 100% ACRYLIC BONDING AGENT

DESCRIPTION:

Acryprime-20 is a transparent, 100% acrylic bonding agent for ASB-350, Blanc Water Proofer-HB-400, turfkote-80. It is a heavy duty, non-yellowing, transparent bonding agent. It possesses excellent adhesion properties and also seals concrete and other absorbent surfaces.

ADVANTAGES:

- ✓ Excellent adhesion properties
- ✓ Resistant to temperatures upto 100° C.
- ✓ Resistant to Mild acids, alkalis, oil, grease, moisture
- Seals porous substrates, creates a barrier against atmospheric impurities
- ✓ Long Lasting

AREAS OF APPLICATION:

It is primarily used as a bonding agent for Blanc Water Proofer-HB-400. It can also be used as a primer/bonding agent for other waterproofing products.

SPECIFICATIONS:

Base	Acrylic
Colour	Colourless
Appearance	Low-Viscous Liquid
System	Single Component
Finish	Smooth & Semi-Glossy
UV Resistance	Yes
Drying Time:	
Full Cure	24 Hours
Recommended Coats	2
Coverage	70-75 sq.ft./litre/coat on smooth surface
Flash Point	Above 30° C.

PREPARATION:

Remove all existing treatments if any. Clean the surface as well as cracks of dust, loose particles, oil, grease etc. Fill the visible cracks, joints, gaps with Joint Filler/FIX N BOND compound. Allow to dry for 24 hours and observe the filling area. If required, fill the cracks once again to the level of the surface.

METHOD OF APPLICATION:

Stir the contents thoroughly. Apply on prepared surface one coat of **ACRYPRIME-20**. Allow to dry for 4 to 6 hours. Apply second coat of **ACRYPRIME-20**. If subsequent coats are required, it should be applied after an interval of 6 hours, between each coat.

CLEANING OF TOOLS :

Wash all containers, brushes, tools and hands with mineral turpentine + Xylene.

SAFETY PRECAUTIONS:

Keep away from naked flames/lights. Do not smoke near application area. Protective gear such as gloves and goggles should be worn when handling the product. Treat any splashes to the skin or eyes with fresh water immediately. Should the product be accidentally swallowed, do not encourage vomiting, but call for immediate medical assistance. Ensure that the container is available for medical attendant to examine any relevant instructions and content details.

PACKING:

Available in 4 & 20 Litres.

WARRANTY CLAUSE: *The product incorporated and sold is without Warranty expressed or implied, including warranty of Merchantability and fitness for use of this material and upon condition that purchaser shall make the own test to determine the suitability and quality of such products for their particular purpose. The user assumes all risks of use and handling, whether or not in accordance with any statement of the supplier. Supplier's liability if any, for any action arising out of the material being supplied shall be limited to only replacement of material.*
