

SPARKLEAN

CHEMICAL FLOOR CLEANER

DESCRIPTION:

SPARKLEAN is a specially formulated chemical cleaner for cleaning of greasy, oily surfaces. The use of acids is normally not recommended in factories where immediate rusting occurs. This chemical cleaner is based on complex solvents and can be safely used in factory environments. Normally, it is used in cleaning oily floors or any surface which needs to be oil free.

ADVANTAGES:

- ✓ Cleans areas which need to be oil and grease free
- ✓ Ready to use, one component product
- ✓ Cleans quicker than conventional cleaning products, thus saves time
- ✓ Cost- effective

SPECIFICATIONS:

System	Single component
Colour	Colourless
Appearance	Clear Lacquer
Specific gravity	0.90 +/- 0.02
Application	By brush

METHOD OF APPLICATION:

SPARKLEAN is normally poured on oily surface which is to be cleaned. Allow it stand on the surface for about 10-15 minutes to etch, before cleaning and wire brushing the surface. Thereafter wash and rinse the entire surface with mild detergents and water. For very oily Surface a second operation may be required. This however can be determined by the Engineer at site who can decide the degree of cleanliness required. The covering capacity of **SPARKLEAN** cannot be determined as it depends on the degree of oiliness its penetration in the floor, the porosity of the surface and ambient temperatures.

SAFETY PRECAUTIONS:

Being solvent base, work in well ventilated areas, Smoking during application should not be permitted. Protect eyes, hands by wearing suitable protection-gear like glasses & gloves, direct contact with skin should be avoided. Contamination of skin should be immediately washed with soap and water.

WARRANTY CLAUSE: *The product incorporated and sold is without Warranty expressed or implied, including warranty of Merchantability and fitness for use of this material and upon condition that purchaser shall make the own test to determine the suitability and quality of such products for their particular purpose. The user assumes all risks of use and handling, whether or not in accordance with any statement of the supplier. Supplier's liability if any, for any action arising out of the material being supplied shall be limited to only replacement of material.*
